

How To Use PubMed to Request Articles

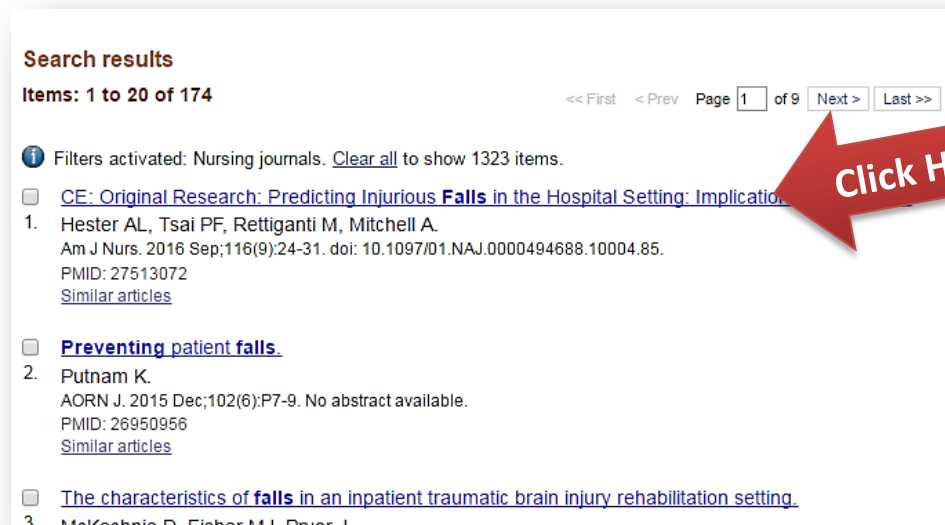

1. Go to the library homepage: www.ellismedlibrary.org

2. Click on the  logo under Quick Links. (You may have to scroll down.)

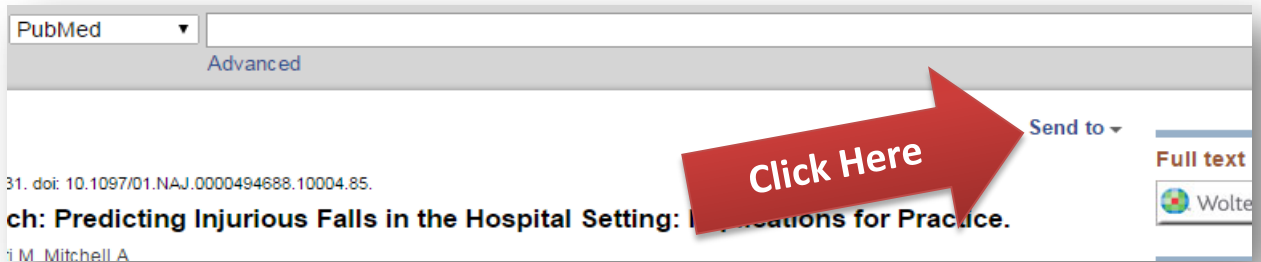

3. Next, type in your search terms into the search box at the top of the page and click "Search".

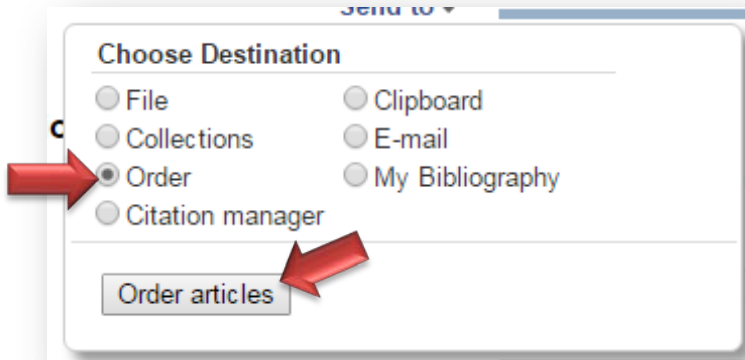

4. When you see an article in the search results you are interested, click on the title.

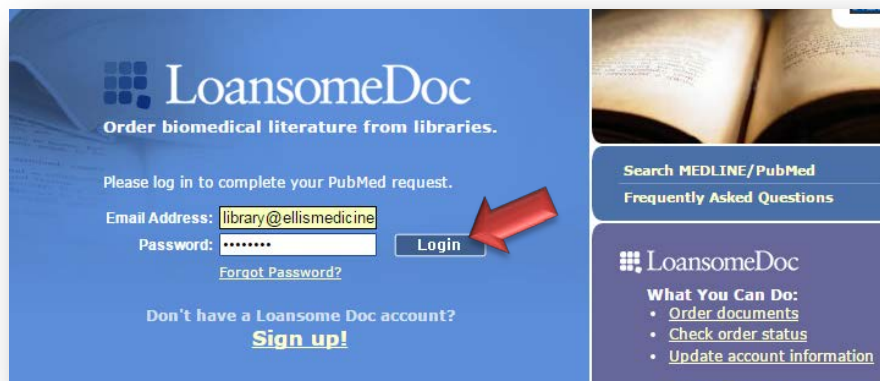

5. To order the full text of the article, click on “Send To” in the top right corner of the abstract.

6. Then, click “Order”, and “Order Articles”.

7. This will bring you to the Loansome Doc homescreen. Login in using your email address and the password ellis and click “Login”.

8. Then, click “Proceed to Delivery Options”.

Place Order

Please review your citations before proceeding to delivery instructions. Items not in your library's holdings may delay or prevent delivery of document. Refer to your library's policies for more information.
